Brief description of the Transnational cooperation:

Euro-Link Consultants is a Romanian consulting company which has experienced a rapid growth while addressing the private and public sector by delivering high quality services and multifunctional expertise.

Established in 2005, Euro-Link Consultants contributed significantly to the convergence of its clients in the public and private sector with the E.U dynamic environment. Euro-Link Consultants successfully managed a number of projects financed from PHARE funds, and is actively involved in technical assistance projects and the Social European Fund. Euro-Link Consultants is the partner of choice for obtaining local consulting services at the highest level of performance, which operates in a large domestic market and is committed to providing high quality services.

Euro-Link Consultants provides solutions and services tailored according to your business objectives so you can have the possibility to concentrate on your core competences.

Our approach puts the customer first hand, within a partnership aimed at establishing long term business relations, based on a full mutual understanding.

Our consultants stand out through creativity and originality, with a professional expertise in human development resources, social inclusion and other major sectors.

1. Problems to be solved (justification of the need of the transnational cooperation)

Problems to solved is described as: low level of specialized knowledge of unemployed and employed in micro, small and big SMEs enterprises by using specific trainings.

Working out new methodology of effective support for the unemployed within social cooperatives. Transfer of experience from another country.

Organising conferences, working seminars and workshops.

Consultancy, exchange of workers, apprenticeships, study visits.

2. Objectives to be achieved

- implementation of one development programme addressed to workers and unemployed people, who will establish own companies;

- promotion of transnational cooperation in the region by organizing seminars;

- crating and functioning international platform of knowledge and experience;

- integration on the labour market;

- requalification;

- specialisation inside the companies;

³ See definition by size on Europa : http://ec.europa.eu/enterprise/policies/sme/facts-figures-analysis/sme-definition/index_en.htm

3. Main transnational activities (as provisionally planned, to be confirmed with partners)

- trainings (with partners)
- seminars (with partners)
- visits (in cooperating countries);
- exchange of good practice;
- providing training programs;
- development of curriculum.
- Transfer of experience from another country
- Organising conferences, working seminars and workshops
- Consultancy, exchange of workers, apprenticeships, study visits.

4. Planned outputs, deliverables, results of TNC; expected outcomes (effects)

- Assessment and comparison/comparatives studies;
- Import, transfer and adaptation of models and practices from other member states.

Disclaimer: by sending the completed Project fiche, you agree for publication on the National Supporting Institution web site and dissemination to potential transnational partners for the purpose of effective implementation of transnational cooperation projects.
